Report of Principal and School Improvement Council

Southeast Middle School continues to be committed to providing a comprehensive, quality education for all students, enabling each student to reach his or her maximum potential. This commitment is reflected in everything we do.

This year our focus was improving student performance through increased instructional time and student engagement. Increased instructional time was provided to students before school, after school and during related arts. By using assessment data we identified our areas of weakness and offered specific tutoring programs to address the needs of students.

We also focused on technology with laser like attention. All teachers worked closely with the media specialist to develop engaging and technology rich lessons. Students had access to six computer labs for a variety of purposes. We also fulfilled our commitment to placing smart boards in every classroom and lab.

Our efforts to increase student achievement were evident in the many honors our students earned this year. Our Math Counts team met after school to prepare for competition and continued to meet for the remainder of the school year sharpening their math skills. Their hard work earned Southeast Silver Level Status in the MATHCOUNTS Club. The same group of math students competed in the Midlands Math Meet and walked away with five trophies in the areas of Overall Champion, Math Jeopardy, individual effort and teamwork. Our school's eighth grade Superintendent's Writing Award winner was also the district's winner and went on to attend the Young Writer's Conference. Southeast Middle was recognized at the South Carolina Association of School Librarians State Conference for having the highest number of minutes read by students in the No Book Left Unread Summer Activity. We had a significant number of students to apply for the STEMS Academy sponsored by a local university. All of our students accepted to the academy completed the program successfully.

We have spent considerable time developing an environment conducive to learning. Our staff training in PBIS during the past school year assisted in developing a tremendously successful mentor program and has given new life to our advisory program.

In addition to academic success Southeast continues to boast a strong athletic and arts program. All of our performing arts programs regularly participate in district, state and regional level arts programs. We are also proud to have undefeated boys and girls basketball teams for the regular season and Boys' Middle School District Champions for a second consecutive year.

Although there are many accomplishments to be proud of we recognize that there is still room for improvement. We continue to address the needs of every student individually. This requires constant data review, individualized student attention and continuous progress monitoring.

School Adequate Yearly Progress

NO

This school met 17 out of 21 objectives. The objectives included student performance, graduation rate or student attendance, and participation in the state testing program.

Definition: As required by the United States Department of Education, Adequate Yearly Progress specifies that the statewide target is met for "All Students" and for the following subgroups: Racial/Ethnic, Subsidized Meals, Disability, and Limited English Proficiency in the areas of English/Language Arts and Mathematics, as well as meeting the statewide target for "All Students" for attendance or graduation rate.

School Improvement Status

School Improvement Key

NI	Newly Identified-The school missed adequate yearly progress (AYP) for two years. Sanction: Offer school choice.
CSI	Continuing School Improvement-The school missed AYP for three years. Sanctions: Continue school choice and implement supplemental services.
CA	Corrective Action-The school missed AYP for four years. Sanction: Continue school choice and supplemental services. The school district takes a corrective action.
RP	Plan to Restructure-Sanctions: Continue school choice and supplemental services. Develop a plan to restructure. If the school misses AYP the next year, the school implements the restructuring plan.
R	Restructure-The school missed AYP after two years of corrective action. Sanctions: Implement the restructuring plan. Continue school choice and supplemental services.
DELAY	The school met AYP in all subgroups and the indicator for one year, thus the delay provision applies. The school remains in the same status as last year and is referred to as in "Delay."
HOLD	The school made progress for one year in the subject area that identified the school for school improvement. The school remains in the same status as last year and is referred to as in "Hold."
